

## HERITAGE

Capitel della Crosara is the "Capitello" at the intersection in a small village in Valpolicella, a very old stone on which the figure of the Madonna is painted. The Montresor family, impressed by the potential and charm of this area, in the 1950s established a collaboration with many peasant families of the village to be able to buy their grapes. The relationship between the producers and Cantine Giacomo Montresor was so deep that it was said that Montresor came to have a monopoly on these grapes.

## RECIOTO DELLA VALPOLICELLA DOCG

### GRAPE VARIETIES

Corvina, Corvinone, Rondinella.

### WINEMAKING

The selected grapes are harvested during the months of September and October and left to dry in boxes for about 3 months.
